Reasons to join our PTA

Your child benefits

The PTA is an important part of the school and helps to enrich your child's school experience.

Schools are becoming more and more dependent on their PTAs for funds.

Our fundraising has provided extras for the school such as playground equipment, new technology, a summer house and treats on special occasions.

We have fun

Being part of the PTA is a fun and rewarding experience

Help plan fun events, socials and get-togethers

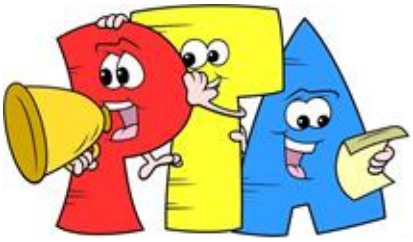
Give a helping hand

Many hands make light work!

There are a variety of small ways you can help and be involved – from designing a poster, photocopying and distributing letters in the school, cleaning up after an event, helping out on a stall…so many ways.

Giving up just 30 minutes of your time to help the PTA is invaluable. If everyone could spare 30 minutes a term to help, just think what we could achieve!

You don't have to attend PTA meetings – you can use our contact details to send in ideas for discussion.



To make a difference

Our children are only at school for a relatively short time. PTA events such as school discos and Breakfast with Santa will be remembered fondly by our children for a lifetime.

The equipment and resources the PTA helps fund, make learning even more engaging.

Feel Involved

As parents, you are AUTOMATICALLY a member of the PTA… your voice counts.

There's no better way to know what events are being planned, have your say or make new fundraising suggestions, than by offering your help and support.

Your ideas and involvement can help improve the quality of education for all the children at our school.

You'll get to know teachers and support staff on a more familiar basis.

Keep our PTA going

Our PTA depends on a continual cycle of parent involvement.

As children reach their final year and leave, so do their parents.

The teachers and head support us when possible, but without all your support, we have no PTA – WE REALLY DO NEED YOUR SUPPORT.
